

Zoom with Us!

We are continuously seeking professional and experienced volunteers to join us in leading professional development sessions with our partners in East Africa via Zoom. If you are a professional in a special education related field, including teachers, therapists, or paraprofessionals; a parent of a child with a disability; or a person with a disability yourself, we'd love for you to share your expertise with us and our partners!

Sessions are typically held on the 3rd Friday evening of each month. During daylight savings time we begin at 8:00pm PST/ 10pm CST and after daylight savings time we begin at 7pm PST/ 9pm CST. This is to accommodate our Partners in Africa, who join us at 6:00 am Kenya time on a Saturday morning. We ask for our trainers to prepare 40 minutes of training materials/ and activities via PowerPoint. We encourage our trainers to attend at least 1 Zoom session prior to leading their first session, but this is not required. Training topics are chosen based off of Partner needs & requests. We have a current list of topics we can share with you.

If you are interested in volunteering with us in this capacity, please complete and submit the form below. Alternatively, you can send us an email with the information below.
